L.V. Operational Map &
H.V. Cable Map No. 43

The position of apparatus shown on this map
is intended to be correct but original
documents may have altered since the
apparatus was installed. The exact position of
it is stated cable location device unless
the location should be verified by the use of
a location device.
In case of doubt please telephone
01 252 8811, Ext 100

It should be recognized that cable depths
shown on this map may be variable as the
ground level may have changed since the
cable was installed and the relative
position of cables may also have changed
due to the alteration of original landmarks.
